General Description of the school

Contributing Primary, State owned, Co Educational. Decile 4g.

A contributing Primary School involving syndicate groupings - Junior, Middle and Senior. Buildings include 11 classrooms, administration block, library, dental clinic, multipurpose building, computer suite, music suite, ceramics studio, art room and covered areas.

Playgrounds are extensive with playing fields, tennis, netball and volleyball courts (Astro-grassed Multi sport surfacing), adventure areas and a grove of native trees. The school has an attractive environment and is well resourced. The school pupils and community benefit considerably from the 25 m x 10m pool and changing sheds. A new Sports storage facility was recently completed. The school retains its 18m X 4.3m junior Swimming pool complex, which complements the large pool well.

Description of School Community

The school community is drawn from the Paengaroa Village and the surrounding rural area bounded to the north by Maketu, to the east by Te Matai, to the west by Pongakawa district and to the south by the Roydon Downs and Maungarangi Roads.

Although some of the original families still live in the area, many of the school's population have settled in the area within recent years. There are a noticeable number of children who come from families where both parents work.

The school district is predominantly connected directly with horticulture and agriculture, but there is a significant proportion of the community who find employment in commercial and industrial businesses, both locally and in neighbouring centres. A local freezing works also draws workers from the school community. Comvita NZ main offices are located in Paengaroa. Eastern District Rugby and Sports Club is also a significant community facility.

Mission Statement

Paengaroa School exists to provide fair and equitable opportunities with stimulating, challenging and purposeful learning experiences designed to help children achieve personal success and self-esteem.

Such a learning environment is designed to reflect tolerant and supportive characteristics of the community, promoted by close parental involvement and staff relationships, to produce well balanced and caring individuals. **Whanaungatanga.**

Our Vision

For Paengaroa People to achieve personal success and through hard work, creativity, persistence and motivation, strive for academic, physical and social excellence. Thus, growing in their attitudes and skills, values and knowledge so that they become active participants in our community, contributing to the well being of New Zealand.

We are aiming for pupils who are: **confident, connected, actively involved, lifelong learners.**

To ensure this is achievable our decision making revolves around a core set of values that permeate through the following pursuits:

- High expectations for staff and pupils to succeed while striving for excellence. Children at the centre of all we do.
- Gaining and applying knowledge of cultural diversity and all things Maori, histories and traditions included
- A non-sexist, non-racist and non-discriminatory curriculum
- Challenging, **rich, real and relevant** content -with a "Place Based local Curriculum"
- Programmes that acknowledge talent and abilities and aim to foster and extend these while also being affirming
- Our staff and pupils reflecting on their own learning and to learn to learn
- Inclusive of the wider community, family / Whanau
- A balanced curriculum that makes links across curriculum areas and provides coherent transitions and is future focussed
- Encouraging positive attitudes and a focus on their own successful futures.
- The best possible resources to ensure that excellence can be pursued. Land, buildings, staff, technology, play and sport fields and equipment, courts, aquatics facilities, etc.

The School's Motto

“Where Learning has no Boundaries.” - “He Akoranga Mutunga Kore”

General philosophy

To grow people who can **think** for themselves, **use language, symbols and text**, **manage themselves**, **relate to others** and **participate and contribute**. They will:

Paengaroa Schools Pupils (symbolised as a Fantail) take flight by learning competencies over 6 years of schooling at Paengaroa School. Year 0 to Year 6. Students are expected to learn (take flight) to the best of their ability:

- **Communicate- Korero through:** languages, symbols and texts. Students will use communication in all its forms: movement, voice, text and ICTs, to communicate ideas and thoughts to others.
- **Manage Self – Pōno through:** Increasingly learning to be independent, organised, and honest, to selfcare and demonstrate self- discipline. Through showing loyalty and friendship, trying their hardest and demonstrating value of self.
- **Develop Creativity-Auāha through:** Developing their original ideas, using imagination and innovations and use literacies, the arts and thinking to make, shape, and create something original.
- **Be Open to Learning-Ako through:** Being reflective, setting goals, building thinking skills. Problem solving and forward thinking strategies being taught and by being encouraged to be risk takers and to challenge themselves. Through taking responsibility for their own learning
- **Participate and Contribute – Whai wahi atu through:** Being involved, taking on leadership, giving things a go then sticking to them, working cooperatively and listening to others.

National Priorities: (As published by the Minister of Education – Chris Hipkiss Nov 2020. NELP- (“National Education and Learning Priorities”)

- Learners at the centre of education – learners/ākonga with their whānau are at the centre of education. Grow great partnerships.
- Barrier free access - great education opportunities and outcomes are within reach for every learner/ākonga.
- Quality teaching and leadership - make the difference for learners/ākonga and their whānau. Assess to learn and “know” the child! Relational!
- Future of learning and work - learning that is relevant to the lives of New Zealanders today and throughout their lives.
- World-class inclusive public education - New Zealand education is trusted and sustainable. A safe and inclusive culture.
- Impacting across all these priorities is the **integration of Digital Technologies**. And in 2023 Aotearoa NZ Histories are included.
- Develop a local curriculum to better unlock the national curriculum. This is coupled with a renewed interest in ensuring NZ Histories are included, along with a complete Curriculum Refresh completed by 2025. Include Maori in our decision making. Be aware of cultural values
- A curriculum that values our pupils identity, language and culture, their strengths and aspirations, and those of their whanau.
- Growing Cultural Capabilities for all staff. Having processes in place to promptly sort : Racism, discrimination and / or Bullying.
- Honour our obligations to Te Tiriti o Waitangi.

Paengaroa School has already embraced these priorities. Many of our aims, objectives, targets and planned actions reflect both the National and our own local priorities.

Paengaroa School Future Perspective (Note that the NELP work done in 2022 will be reflected in this section in 2023.)

The following trends have been identified as having an effect on the future development of Paengaroa School. Whenever the school is making Strategic decisions about the schools' future these trends must be considered.

21 st Century Issues	Implications for School	School Response

- Show perseverance and resilience

All persons are treated with respect as New Zealanders, no matter their race, religious or cultural background.

The school encompasses the notion of inclusiveness.

The unique position of Maori Culture: The special place of Maori in the community is recognised and valued through Kapa Haka, Maori language inclusiveness and cultural EOTC involvement.

The document Ka Hikitia is a guiding document for the school's expectation to ensure success for Maori students as Maori.

The school recognises and values the unique position of Maori in New Zealand and the importance of the Treaty partnership.

The school acknowledges and respects the values, traditions and histories of all New Zealanders but explicitly recognises the culture, language and history of Maori.

Classes in two close geographic schools can offer immersion: Te Matai School and Maketu School. If immersion is requested parents are advised of these options.

The school incorporates Tikanga Maori into the curriculum. At Paengaroa School children are given integrated instruction in Maori through day-to-day programmes (The school is developing a comprehensive resource to support instruction). Teachers are continually developing in Maori competencies- Tātaiko.

The school has a strong cultural group and parents are encouraged to be part of the whanau group. All Maori and Pasifika children are encouraged to be members of the Kapa Haka, along with any other pupils. This is part of our inclusiveness model.

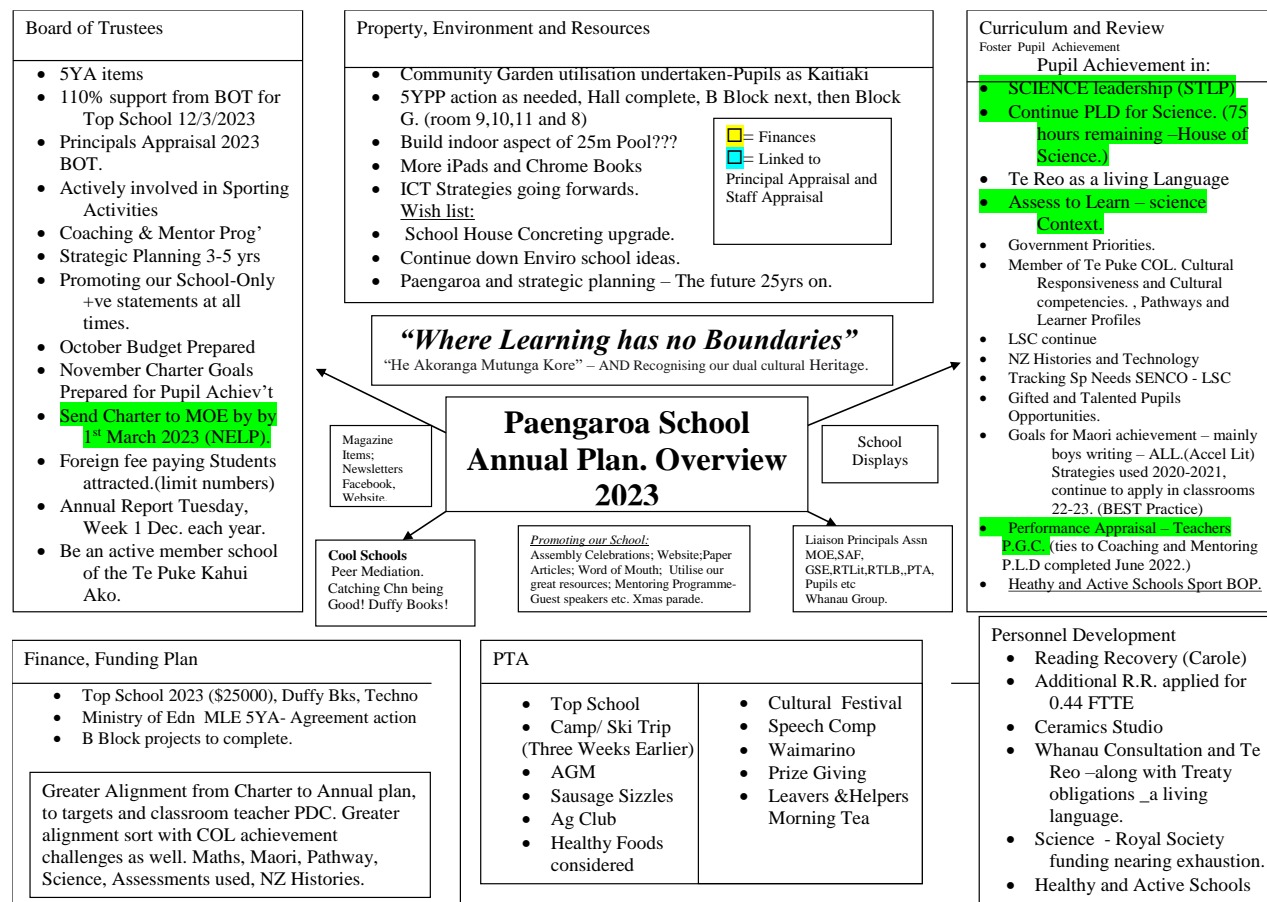

Maori resources are available to the community on request.

Consultation

- The Board of Trustees, through a Whanau Rep and Te Reo teacher, will continue to have open communication with our Whanau -using a Whanau Group structure. With 45% Maori roll, the school aims to ensure that all Maori students at risk are identified and every effort is made to ensure the children get assistance. Engaging with our Maori community" is a focus area. The whanau Group has been going since 2017, meeting at least once per term.(Except during Covid 19 Lockdowns.)
- The school maintains an open-door policy with regards to all parents wishing to discuss any issue with the staff or principal. Often consultation is dealt with informally while the parents are at school for an event. The Principal aims to capture their thoughts in a non-threatening, friendly and relaxed manner.

- The whole community, including Maori is engaged in conversations via: Newsletters, two parent interviews, whanau Board Representation, formal and informal discussions at events, PTA meetings and Board meetings. All to be well recorded.
- Kahui Ako - cultural Responsiveness and Relational Pedegogies researched and improved – Poutama Pounamu work as well Rongohia Te Hau .
- Specific events to include and encourage engagement with Whanau continue to be organised. E.g. Whanau BBQ, Numeracy and Literacy evenings, Ra Whakangahau and Te Puke Cultural Festival preparation and performance allows another chance to engage with the whanau who are always heavily involved in these events.
- Further “Whanau Group Development” in 2022-2025+ with Annual Goals developed and achieved collaboratively – e.g marae visits, Hangi, Matariki Celebration, Historic sites, etc.

The Statement of National Education and Learning Priorities (NELP) & Tertiary Education Strategy (TES)

The Statement of National Education and Learning Priorities (NELP) and the Tertiary Education Strategy (TES) are issued under the Education and Training Act 2020.

The NELP must be consistent with the objectives for education. These are: helping children and young people to attain their educational potential; preparing young

people for participation in civic and community life and for work, and promoting resilience, determination, confidence, creative and critical thinking, good social skills and the ability to form good relationships; and helping children and young people to appreciate diversity, inclusion and Te Tiriti o Waitangi.

The TES must set out the Government's long-term strategic direction for tertiary education, including economic, social, and environmental goals, and the development aspirations of Māori and other population groups.

One of the purposes of the Act is to establish and regulate an education system that honours Te Tiriti o Waitangi and

supports Māori-Crown relationships. Section 9 sets out the main provisions of the Act in relation to the Crown's responsibility to give effect to Te Tiriti o Waitangi. These provisions include obligations in relation to Te Tiriti o Waitangi for school boards, tertiary education institutions and education agencies.

The NELP and TES are statutory documents enabled by the Education and Training Act 2020 that set out the Government's priorities for education. This document forms both the NELP (priorities 1-7) and the TES (priorities 1-8).

Some aspects of these priorities will be more applicable to one sector than others.

The NELP is designed to guide those who govern licensed early learning services, ngā kōhanga reo, schools and kura.

In particular, licensed early learning services are required to have regard to the NELP as part of the Governance, Management and Administration (GMA) Standard. Boards of schools and kura must have particular regard to the NELP, including when developing or renewing their charters.

The TES sets the direction for tertiary education. Tertiary Education Organisations are required to show how they have regard for the TES. The Tertiary Education Commission must give effect to the TES, and the New Zealand Qualifications Authority must have regard for the TES.

Implementation of the Statement of National Education and Learning Priorities in schools and kura (continued)
